

Pinewood Raceway – Corporate Events

Pinewood Raceway is available for private hire allowing corporate events and the more formal social gatherings. We are proud of our association with local Rotary and 41 Clubs who are regular visitors. Various car clubs, TVR owners, Mazda MX5, VW T5 and Corvette owners as well as KIA, BMW and Ford car companies have raced at Pinewood Raceway.

We have run family events, football club gatherings, ladies' nights and even stag parties.

The venue and facilities are ideal for businesses and their employees or customers to meet and have some "down time" in a mildly competitive, fun environment which is Pinewood slot racing.

We have a suitable area for company presentations and team builds if required. We are flexible on timings and whether you want a weekday or evening event or at weekends. Please discuss your requirements with us.

The 2020 to 2021 costs are £175.00 for 12 people. This is our minimum charge.

For 13 to 18 people the cost is £200.00. If more than 18 people, then the costs go down to £7.50 for the nineteenth and onwards. Larger events can be subject to negotiation.

We cannot accept a booking for less than 10 people as it is impractical as we need 5 people racing and five people marshalling. (Putting the cars back on)

Our minimum age is 8 to use our tracks. If your guests are under 18, then they must be accompanied by an adult. We reserve the option as to which track we will run the event on.

We are insured and can accommodate up to sixty people in the club house.

The practice period and racing is for 90-minutes. However, please allow two hours for your event which may include a break for refreshments.

We supply the cars, controllers, and race director (MC) and of course the track hire.

Pinewood Raceway do not include food or refreshments, but we have several options to make your event even more special. Catering for your event can be organised when you're making a booking. We can even offer a "package price" per person, for an evening's racing and supper to follow. Please ask for menu and costs.

You are welcome to cater for yourselves, but the food can only be consumed during breaks in the racing. If you do decide to cater yourselves, then you are responsible for the cleaning and clearing away of food, packaging, and rubbish from your event. Please also factor this into your hire period.

Please note - food and drink must always be kept far away from the track.

Should you decide to go ahead with the booking, then we do not require a deposit. We will require five working days' notice of cancellation. Our minimum charge (£175.00) is payable if sufficient time is not given or a "no show" occurs.

Payment is either by cash or cheque and is payable on the day of the event. We do not have facilities for card payment. For companies, we can arrange an invoice prior to the event and details of our account for an electronic payment. Please let us know your preference. After the event we can forward a .pdf receipt for your records.

We have plenty of parking space which is in the front of our building. We ask that customers and visitors please observe the parking bays, speed restrictions and signage.

The Raceway also has plenty of space to sit and spectate around the tracks. There is a separate area for sitting and having refreshments and for the racers to have their mid race break.

The clubhouse has a food preparation area, but we do not allow cooking of any food.

When booking with the Pinewood Raceway – Events Coordinator – you will be required to confirm dates and time and that you have read and agree to these terms and conditions.

Your booking will then appear in the Pinewood Raceway calendar which is viewable on the web site.
